KOLLABORATE

A Place where anything is possible

CONSOLE CODERS

What are we trying to **Create ?**

A platform for students to communicate , share and learn together Easy and fast Communicate with anyone from the KIIT family Just need to Sign In using KIIT Email - Id A platform to integrate KIIT's various segments

STUDIO SHODWE

Vision & Mission

01

About KOLLABORATE

KOLLABORATE started just as an idea, a place where you can find people like you.

02

What are we trying to achieve?

Trying to make your college life as enjoyable as possible, helping you to connect and learn new skills from individuals around you.

CONSOLE CODERS

KOLLABORATE
and its
features

CCONSEOLE CODERS

Integrated SAP Application

KIIT is India's first university to implement SAP in all its school & processes at a time. Students an directly access their SAP through our website.

CONSOLE CODERS

Manage your **CLUB**

Easy Recruitment

Clubs can post about their recruitment process and other necessary information which can be directly accessible through our platform.

Manage Clubs activites

Once the user joins any of the official KIIT clubs. They can get information about upcoming events that the club is going to host

Talk to your peers

A separate group and personal chat system , to manage club activity and bridge communication gap among club members

STUDIO SHODWE

Share your Ideas

KOLLABORATE provides a platform to share your ideas in form of text , posts , videos .

- Post a image
- Post a short Video
- Write what's on your mind
- Hire people for work
- Integrated group meetinfg

STUDIO SHODWE

Why chose KOLLABORATE?

KOLLABORATE is easy to use

We have designed a very simple UI , so that the user can easily navigate through our website . Unlike other applicaitons such as Discord , where the UI is complicated and requires a lot of effort to learn how to use

Connect with anyone from KIIT

KOLLABORATE is especially designed for the KIIT University.

STUDIO SHODWE

Why chose KOLLABORATE?

Hassel free Login

User is required to enter their KIIT Univertiy Roll Number , to get started .

Everything you need is here

KOLLABORATE integrates all the necessary elements and bring them o pver at a platform
